EXPERIENCE

Customer Success Manager

Equifax

07/2024 - 10/2025

- Portfolio Scale: Managed 45 organizations, business units, and platforms within authentication services, overseeing a vast infrastructure where each unit contained between 20 and 40,000 applications across 4 development environments
- Complex Migration Management: Directed the migration of 1,800+ applications to the authentication services platform, serving as the lead negotiator for onboarding agreements into the company ecosystem
- Strategic Negotiation: Managed timelines, resource efforts, and technical gaps for the migration of 200+ clients, websites, and apps, including high-scale accounts supporting over 200,000 consumers
- Account Strategy: Directed the success and retention for diverse account structures, including 150 B2B2C, 700 B2B, and 350 B2C accounts per business unit
- SDLC & Technical Liaison: Bridged the gap between technical requirements and business outcomes by negotiating sprints, timeframes, and support options while ensuring existing client retention

CIAM Technical Lead -CSM

Equifax

09/2022 - 07/2024

- Improved cybersecurity defenses by reducing vulnerabilities by {XX%} through managing {X,XXX} endpoints and network devices.
- Designed specialized Enterprise Data Inventory Surveys to ensure client adherence to NIST PR.AC controls and security frameworks
- Managed as Scrum Master, managing JIRA/Kanban boards to align technical roadmaps with client-facing delivery schedules

Risk & Compliance & Cyber Security Auditor

Equifax

06/2018 - 09/2022

- Executive Reporting: Created automated dashboards in Looker Studio and ServiceNow for MBR, QBR, and YBR reporting to executive leadership and key stakeholders
- Risk Remediation: Executed exhaustive cybersecurity audits and provided remediation tracking for high-risk applications to protect client assets
- Cyber Security Auditing: Developed compliance playbooks for FedRAMP, PCI, and Internal Audits

Kindle & Audible Tech Lead

Amazon

08/2013 - 10/2017

- Results-driven Project Manager focused on driving operational excellence through the integration of Lean and Six Sigma methodologies
- My approach centers on bridging the gap between high-level strategy and floor-level reality to deliver measurable value
- Managed teams of 15–20 agents, handling high-level client escalations and providing performance coaching to ensure service excellence

SUMMARY

Customer Success Manager with over 6 years of experience in client engagement and cybersecurity compliance, expert in managing regulatory inquiries and data subject access requests (DSARs). My key achievements include orchestrating the migration of 1,800+ applications with a 100% success rate and maintaining an impressive 85% customer retention across diverse account structures. Seeking a Regulatory Risk Management position at Kraken, where I bring my operational compliance and risk management skills to support your mission of accelerating global crypto adoption and achieving financial inclusion.

KEY ACHIEVEMENTS

Regulatory Risk Management

Achieved 100% regulatory compliance for 1,800 applications, enhancing security posture through rigorous risk management.

Compliance-Related Cases

Handled 200 compliance-related cases, securing adherence to PCI and FedRAMP for diverse clients.

Risk Management Oversight

Managed 45 organizations through risk assessments, improving compliance ratings by 30% within one year.
